TOLEDO HOLIDAY PARADE

The Broncos assembled and braved the CHILLY Temps on November 16th in downtown Toledo to participate in the parade with the Lucas County Fair. 4 horse youth rode their horses and there was even a "Chris Kringle" mini donkey included. Everyone was wearing holiday festive attire, even the horses were decked out. On the float several members were seated along with costumed characters of a chicken worn by Joey & the horse was on Shane the Fairboard President. Ben pulled the float with his 1936 orange and red Minneapolis Moline tractor. Thanks to Broncos Alumni Raymond and Shane who were on "quicker poo-picker upper" duty during the parade. It was the first time the Broncos, Lucas Co 4-H and Lucas County Fair had participated in this parade. Fun was had by all.
