**Secretary's Report:** We went over the July minutes, Ashlee made a motion to accept, Elizabeth second. September minutes, we need to add 2014 officers on bottom. After this amendment, Kathy motioned to accept the minutes and Monica second.

**Treasurer's Report:** Balance at last meeting was \$1,435.08. Deposits of mud t-shirt money was \$250. Written checks totaled \$1,211.52 (\$250 ribbon payment, \$30 groom & clean, \$384.50 for trophies, \$547.02). New balance \$437.56). Motion to accept the treasurer's report Steve second by Flo.

**HHHH:** Mary said that the ride-a-thon had awful weather, very rainy, but overall went well. They made \$1,286.00. Great Lakes dressage is coming to HH October 26 for a Breast Cancer Ride for the Cure. They are supposed to be getting someone to come and fix the driveway again, not sure when this will be taking place.

### **Old Business:**

**Treasury Audit:** Monica and Steve went through the books everything was correct. Monica and Ashlee will be meeting October 21<sup>st</sup> to switch the account holder information.

**2014 Show schedule:** Flo has a few concerns about splitting the pony classes to junior and senior. Flo would like to bring back combination class. Also, a concern about breaking pleasures up to junior and senior not just open. Monica and Steve proposed a schedule like this: Monday- Western classes, Tuesday-English classes, combo class, jumping, free style, Wednesday- Dressage (Western and English), contesting, Thursday- Trail in hand, small equine, driving, Versatility. Friday- Trail, fun classes, ground roping, and groom and clean. Ashlee had a concern about adding first and second year loper back into the show bill. Ashlee also asked about walk trot showmanship since there is no showmanship, it was decided one child will do English one will do western in their age division. Mary would like to add Texas

Keyhole as Jr. and Sr. since that is how it is at state, the same with stakes race. Elizabeth would like to add Kur (? Spelling?) (would be like dressage free style). Steve suggested adding this with the free style class and not call it kur, they can do it in the free style class. Flo made a motion to bring combination class back to fair, Monica second all in favor. Talking about coming in Sunday, having the horses in by 3 and then have a family meeting at 4 (pep talk ☺), horseless horse at 5, pony measurement 6 or 6:30, vet check at 4 or 7:30 (up to Dr. Carstensen), and SHAC at 8. Horses can come in on Saturday as long as the owners are staying with them on Saturday night. Times to start the shows will be determined after the mock show bill is completed. If you know of any good judges or have any requests bring to the next meetings.
